 Packing: 1 piece / opp bag,50 pcs/carton

Self-heating keeps warm 10 minutes rapid heating, keep the body constant temperature. Take care of waist and abdomen health.

Common Examples of Use

Self-heating lumbar support belt can keep your lower back and abdomen warm at all times, even in cold weather, perfect for office workers, heavy laborers, drivers, the elderly, women, and those with low back discomfort, abdominal chills, and sciatica.

Product Features

The lumbar support has built-in heating pads, one for the waist and one for the abdomen, which can effectively stimulate acupoints, promote blood circulation and increase metabolism.

The use of four memory steel plates in the lumbar support, in line with the human body curve design, to relieve the pressure on the back and lumbar region, to provide stable support and protection for the lumbar region.
